

Membership at StoneRidge Golf Club

StoneRidge Golf Club offers a golf experience unlike any club in the area with affordable memberships, premiere course conditions and a complete calendar of exciting member events that would rival any private club in Minnesota.

Construction on the Bobby Weed layout began in 1999 and StoneRidge opened for play on July 4, 2000. Our 18-hole championship course features fast flawless expansive greens and pristine bent grass fairways that play firm and are framed by tall native prairie grasses to penalize errant shots. **StoneRidge Golf Club's course** is a par 72 with four sets of tees to appeal to all levels of play (yardages range from 5247 from the forward tees to 6992 from the back tees). You can view the course hole by hole on our website: www.stoneridgegc.com.
