

General Information

StoneRidge Golf Club

We offer a golf experience unlike any club in the area with affordable memberships, premiere course conditions and a complete calendar of exciting member events that would rival any private club in Minnesota.

Construction on the Bobby Weed layout began in 1999 and StoneRidge opened for play on July 4, 2000. Our 18-hole championship course features fast flawless expansive greens and pristine bentgrass fairways that play firm and are framed by tall native prairie grasses to penalize errant shots. StoneRidge Golf Club's course is a par 72 with four sets of tees to appeal to all levels of play (yardages range from 4,978 yards from the forward tees to 7,013 yards from the back tees).

Dress Code

Suitable attire is required on the golf course and in the clubhouse. T-shirts and blue jeans are considered unsuitable. Appropriate length shorts are required. All rules concerning proper attire apply to members, guests and children over the age of 12. Non-metal spikes are required.

Danny's at StoneRidge

Award-Winning Dining

StoneRidge Golf Club was opened in 2000 by Dave Kloeber and Mike McGrath. It has become a premier course in the Twin Cities but never had a venue worthy of showcasing executive Chef Ron Bohnert's award winning cuisine.

After our extensive remodel, a member volunteered the name Danny's in honor of Mike and Jeanne's youngest son. For twenty-three years Danny McGrath was an amazing boy that left an impression on everyone he came into contact with. Born with special needs but a warm soul, Danny epitomizes everything that we strive to deliver as a restaurant by using vigor and passion to continually exceed expectations.

Chef Ron Bohnert's career combines creating beautiful food and teaching others who have an interest in foodservice. Prior to joining StoneRidge, he worked 22 years with the Radisson Hotel Corporation and was part of the grand opening team at Ciboney Resort in Jamaica. Bohnert is very active in the American Culinary Federation, coaches the Junior Culinary Competition Team at St Paul College and teaches at The Chef's Gallery in Stillwater. His achievements in culinary competition include two gold medals in the American Culinary Federation's Seafood competition.

Danny's is open 7 days a week during the golf season and is closed on Sundays and Mondays during the winter months. Please visit www.DannysMN.com for more information and menu selections.
